CHECK-IN

GET VACCINATED

GENERAL INFORMATION - PLAYING

Get in, play, get out.

If you have any COVID symptoms, do not attend.

Maintain 1.5 metre physical distance in team huddles.

When not participating, wear a mask where you cannot maintain 1.5 metre physical distance.

Limit all unnecessary body contact.

Limit crossing over and mingling with other teams and groups.

Only people required for the match should attend.

GENERAL INFORMATION - TRAINING

Get in, train, get out.

If you have any COVID symptoms, do not attend.

Limit the number of teams training together, including preseason training activities.

Train in separate groups, on separate courts.

Arrive dressed and ready to train.

Limit social activities before and after training.

Limit indoor activities and limit the use of indoor spaces.

Where possible train outdoors.

EQUIPMENT

Minimise the use of shared equipment.

All equipment must be cleaned and sanitised between each session.

COVID SAFE PLAN

A COVIDSafe Plan is required.

Where the capacity for the venue is 500 or more, a COVIDSafe Plan must be published on your website.

VACCINATION REQUIREMENTS

There is no requirement to be fully vaccinated to participate in community sport.

Vaccination requirements may apply across some venues.

Vaccination requirements apply to people who work in community sport.

[Click here for the Vaccination Requirements resource](#)

FACE MASKS

Face masks are not required at outdoor venues, however a face mask should be worn where 1.5 metre physical distancing cannot be maintained.

Face masks must be worn indoors.

COVID CHECK-IN MARSHAL

A COVID check-in marshal must be present at each entrance to the facility.
